On motion by Sol Cory, seconded by Fred H. King and carried by unanimous vote, the following person was granted an A. B. C. License to sell beer on-off premises: James Seymour. #698

The City Manager presented a request of E. B. Petrey that the license #699 on shoe shops be reduced from a retail merchant to some other status. He felt that the present license was too high a premium to pay for the amount of manual work involved. This matter was tabled with no action taken.

The City Manager advised council that Chester Engineers had set March 1st as a date to receive core drilling bids and that they would present to council their recommendations for acceptance on March 6th. #700
